

Hello Holy Cross Families,

I hope everyone is staying in and staying safe during this unusual time. Our thoughts and prayers go out to all the people throughout the nation and the globe that are currently struggling or suffering during this terrible pandemic. Below is a prayer for those affected by this current situation.

Jesus, during Your ministry on Earth You showed Your power and caring by healing people of all ages and stations of life from physical, mental, and spiritual ailments. Be present now to people who need Your loving touch because of COVID-19. May they feel Your power of healing through the care of doctors and nurses.

Take away the fear, anxiety, and feelings of isolation from people receiving treatment or under quarantine. Give them a sense of purpose in pursuing health and protecting others from exposure to the disease. Protect their families and friends and bring peace to all who love them.

During difficult times we realize that it is important to provide as much stability for children and families as possible. We are here to provide some of that stability to your family by providing consistent learning opportunities for your child. Below is the Distance Learning Plan from each of the teachers here at Holy Cross. It is divided up by grade. Going forward we want to ensure that your child is still receiving meaningful, high quality, and consistent learning each day. In order to streamline the directions for students and families we have created a Google Classroom and email for all students in grades 4-8 and a ClassDojo for all students in grades k-3. Directions of how to login to these platforms have been emailed or shared with all parents by your child's homeroom teacher. If you do not currently have the information for your child's email or login for Google Classroom (grades 4-8) or ClassDojo (grades k-3) please look below for instructions and/or email your child's teacher directly. It is important to note that for ClassDojo parents will need to create a student account in order to see their child's assignments. All teacher's web pages have been updated and emails and updates can be found [here](#). Providing access to ClassDojo and Google Classroom will allow students to more easily locate learning tools and resources and even allow them to upload their work and view their teacher feedback, grades, and comments. If you have any questions about the learning plan for your child or are experiencing any difficulty please let us know. We are here to help.

God Bless,

Dr. Lemon-Tate

Directions for all parents grades k-3: ClassDojo information has been sent to or shared with all parents. You create two accounts first, your parent account. This allows teachers to directly communicate with you regarding your child's progress. Second, you create an account for your child. This allows your child to log in, view and submit assignments, and communicate with their teacher. The class codes and directions can be found below under your child's class.

Directions for all parents grades 4-8: To set up Google Classroom you first must go to gmail.com and add your child's account. The username and temporary password have been emailed to you by your child's homeroom teacher. The ONLY way to access the Google Classroom using the code provided is to do it through your child's holycrossphila.org email. If you attempt to join the class from another outside account it will **not** allow you to do so. This is a safety measure to ensure members are only Holy Cross students. The steps to access are below*:

1. Using the login information that has been emailed to you create a holycrossphila.org gmail account for your child.
2. Using that account, locate the class codes for each teacher and join the classroom.

*Mr. Ryan is working on a video that I will share with families to show you how to do this if you are unsure. I will be sharing this as soon as it is ready. Thanks Mr. Ryan! In the meantime [this](#) is a generic clip that shows you how to join Google Classroom (once you are on your holycrossphila.org email).

Grade Assignments

Hello Parents,

In order to streamline communication for what students can work on you can find everything you need to know each week by looking at my webpage found [here](#). Also, I have created two different accounts to support your students in distance learning. First, you should have received a welcome email from **Classroom Dojo**. This email was sent to parents to allow you to enroll your child into the virtual Classroom Dojo. There students and parents can find the weekly assignments and get feedback and grades for their progress. Second, I have created **Zearn** accounts for all students. Zearn is aligned with Eureka Math and provides students with everything they need to continue their learning in math! Both of these sites allow

students to upload their work to be graded. If you do not have a login for Classroom Dojo or Zearn please email me at gjazdzewski@holycrossphila.org so I can resend you the information.

*Both [Zearn](#) and [ClassDojo](#) are accessible on a phone, desktop, or laptop.

To Join ClassDojo please do the following:

- Go to dojo.me
- Click “Enter Text Code” or tap “I’m a student on the app
- Enter class text code: NDH IGF

Math - **Zearn** - We are starting with Mission 5 and completing a lesson a day.

Reading/Social Studies - On **ClassDojo** there will be an article with questions posted each day.

Journal - On **ClassDojo**. Topics for this week are already posted.

Spelling - You have your Speller, so continue to your next lesson.

Hello 4th Grade Families,

We will begin transitioning to Google Classroom this week. If you have not received the login information for your child yet you will be getting an email shortly with first their google email, login, and password. Second, they will get the classroom code. The work below was given last week but was meant to last for 2 weeks. So please continue to work on this while Google Classroom is being set up. If you have any questions please let me know.

Math: Students should complete math three or four worksheets each day. The activities are on the printable worksheets on the link below:

<https://drive.google.com/file/d/1FoLx75d7SQ92mR9wG-tCehN2z3cOlnAH/view?usp=sharing>

Science: Project - Make a bridge out of recyclable materials that will support two of their *Treasures* textbooks. Bonding materials such as glue or string will not be deducted as they are not recyclable but are necessary for the build. The rubric listing the criterion is also attached in order for you and your child to review all the requirements. **Please note that the base should be no larger than one foot by two feet** in order to accommodate all the students' displays in the classroom. The project is due upon our return to school. Students must complete the worksheet on the link below.

<https://drive.google.com/file/d/1trS9Y1CXjLnEg5v2mq-mImpcN7dghBRg/view?usp=sharing>

Bridge Criterion is on the link below.

https://drive.google.com/file/d/1xmbnaFF4Z_1K2_dI4orLCDEUomr9rGlb/view?usp=sharing

Reading: Project - Read a book and make a book in a bag report. Criterion for the report is indicated in the link below. Please note that the book may not be a graphic novel such as Big Nate, Diary of a Wimpy kid, Sponge Bob Underpants, etc. <https://drive.google.com/file/d/12q0qtR2AWM77prqIEQo2E4rGt2epWDZP/view?usp=sharing>

Writing: Biography - Choose a famous person of interest. Follow the pages in the packet below to write his or her biography.

Social Studies - study for quiz on lesson 18 upon return to school.

Week 1: read lesson 19. Define key words, identify key people, places, and events on page 98. Answer review questions on page 102. Study for test on lessons 19 & 20

Week 2: read lesson 20. Define key words, identify key people places and events on page 103. Answer review questions on page 107. Study for test on lesson 19 & 20.

Mr. Rod's Art Class

rnunez@holycrossphila.org

Google Classroom Code: nlkdhdf

Please use the assignments listed below if Google Classroom code does not work. Remember students need to use their school issues emails in order to sign into any Google Classroom. An outside account will not allow students to sign in.

Students will choose one assignment due for every Art class we have per week. Students who have Art twice a week will

have two assignments per week. Projects are due by 04/02/2020 or 04/03/2020. Feel free to contact me with questions. Some assignments involve the Pinterest App. Mr. Rod's Class Resource. <https://www.pinterest.com/rodnedu/>

Assignment selection: Choose one project for every art class day we have.

-Sketchbook/Free-drawings/Study:

-Watch a video from (Artist Videos) Section on Pinterest App: Students can respond with a drawing or in a brief written paragraph.

-Take 20 pictures: This can include nature, animals, people, things, places, and documentation.

-Find 5 Artists: Use Pinterest App to continue our topic of interest.

-Continue our research/topics of interest on the Pinterest App. Create a Pinterest folder and collect at least 10-20 images.

-Contact me if you have any alternative projects or ideas you would like to turn in for your Art grade!
